HUD makes no warranty as to the accuracy of the information. 9. **OUTSTANDING ENCUMBRANCES THAT SURVIVE FORECLOSURE:** By entering its bid, the High Bidder agrees to assume all responsibility for paying all outstanding encumbrances and expenses, including, but not limited to, taxes, assessments, utility bills and any liens not extinguished by the foreclosure. 3. **QUALIFICATION, ACCEPTANCE, REJECTION OF BID:**

- a. **Required Bidder Qualifications to Purchase Project:**
 - i. It is an objective of the Department's multifamily foreclosure process to transform troubled and distressed multifamily properties into viable, long-term affordable rental housing resources. To accomplish this objective, the Department will only approve the disposition of a HUD-foreclosed property to a High Bidder, i.e. a bidder with Eligibility that has the financial capacity and demonstrated experience (approximately five (5) years) of successfully owning and managing multifamily properties, preferably, with experience transforming distressed and troubled multifamily properties as viable, low-income housing resources.
 - ii. The Department evaluates, starting with the Highest Bidder and proceeding in descending order, if necessary, the bidder's Eligibility and then the experience, qualifications and capacity to purchase the Project based on a review of the documentation described in the Invitation, other information available to HUD, and the Post-Bid Document Submittals required herein. The information and documentation must demonstrate that the bidder owns (or has owned) and is successfully managing and operating (or has successfully managed and operated) properties of similar size and characteristics (including problematic complexities) as the Project being sold. Without limiting the foregoing, the information and documentation will be used by HUD to determine, in HUD's sole discretion, whether the bidder is eligible to bid, has the financial capacity and demonstrated experience to acquire and successfully operate and/or transform the Project into a long-term, viable rental housing resource.
 - iii. HUD may, in its sole discretion, accept or reject any bid submitted for the purchase of the Project.
 - iv. HUD will determine whether the bidder is eligible to bid, and then consider within HUD's sole and absolute discretion the experience, qualifications and financial capacity to purchase and manage the Project. If HUD rejects the Highest Bidder, due to the commercial and practical constraints, considerations and exigencies inherent in the foreclosure process, HUD may proceed to evaluate the next highest bidder pursuant to the terms of the Invitation.
 - v. In the event that HUD rejects a bid, HUD will return the bidder's earnest money deposit, provided the

bidder has not failed to meet time limits required to submit documentation, or made any misrepresentation or material omission(s) in the bidder's submission of documentation. If the bidder fails to properly submit all required documentation within the required time limit or HUD determines that the bidder misrepresented his, her or its eligibility to bid, experience, qualifications, or financial capacity, the Earnest Money Deposit will be forfeited and retained as liquidated damages. Without limiting the foregoing, HUD may seek any and all additional remedies.

- vi. HUD may require the High Bidder to obtain the services of a qualified multifamily project management firm. Management acceptable to HUD (see paragraph 5 below) must be approved prior to Closing.
- b. Bidder Approval:
 - i. If HUD determines that the bidder with Eligibility and the highest bid is qualified, the High Bidder will be confirmed as and identified as the Purchaser;
 - ii. If the Highest Bidder is rejected due to HUD's determination that that bidder lacks Eligibility and/or is not qualified to purchase the Project, HUD will notify the bidder in writing;
 - iii. If HUD rejects the Highest Bidder or the High Bidder, HUD may in its sole discretion elect to contact the Second Highest Bidder, and/or succeeding bidders as bidders withdraw or do not qualify, to purchase the Project. If contacted by HUD, the Second Highest bidder or succeeding bidder will be offered the opportunity to purchase the Project and will be given twenty-four (24) hours to submit evidence of eligibility to bid, the earnest money deposit and execute the Acknowledgment, and thereby will be deemed as the High Bidder. HUD will review the bidder's Post-Bid Document Submittals, which must be submitted within the same timeframes detailed in Section 4 of this Invitation beginning from the date the Acknowledgment is executed, in order to determine if the bidder has Eligibility and is qualified to purchase and manage the Project;
 - iv. HUD's notification of rejection due to lack of Eligibility and/or qualifications, if applicable, shall be deemed to be given when mailed to the individual that executed the Acknowledgment; and
 - v. The written rejection of the bid will be made as promptly as possible and generally within thirty (30) days after the date of the Foreclosure Sale.
4. **EARNEST MONEY DEPOSIT:** All bidders must submit the Earnest Money Deposit to the Foreclosure Commissioner at the start of the Foreclosure Sale. Immediately following the Foreclosure Sale the Earnest Money Deposit will be returned to all but the highest responsive bidder. Interest will not be paid on Earnest Money Deposits.
 - a. If HUD determines that the Highest Bidder has Eligibility and is qualified to own and manage the Project, its bid is acceptable and if the High Bidder complies with the requirements of this Invitation, the Earnest Money Deposit will be credited against the bid price at Closing.
 - b. If the bid amount is unacceptable, the bidder's Earnest Money Deposit will be refunded.
 - c. If, during the review of the Highest Bidder, it is found that the Highest Bidder has made any misrepresentation or material omission(s) in the bidder's submission of evidence of eligibility and/or documentation, the Earnest Money Deposit will be forfeited.
 - d. If the Highest Bidder is determined to lack Eligibility and/or is not qualified to purchase the Project and the Highest Bidder has complied with the requirements of this Invitation the Earnest Money Deposit will be refunded.
 - e. If the Highest Bidder/High Bidder has failed to comply with the provisions outlined in this Invitation, the Earnest Money Deposit will be forfeited.
5. **REVIEW OF PROJECT MANAGEMENT:** HUD will review the Written Statement (as described in Section 4, paragraph 2.a.iii) and Post-Bid Document Submittals to determine, in its sole discretion, if the proposed management entity has the necessary qualifications to operate, manage, and/or administer the type and nature of the project being offered for sale. HUD may elect to discuss Project management plans after submission of the Post-Bid Document Submittals by the High Bidder. Without limiting other rights and remedies, HUD reserves the right to reject the bid of a High Bidder and retain the Earnest Money Deposit, if the High Bidder does not provide management acceptable to HUD.
6. **CLOSING DATE REQUIREMENT:** The date and place for Closing will be determined by HUD and the Foreclosure Commissioner and occur within the time period specified in the Acknowledgment, (Attachment B).
7. **EXTENSION OF CLOSING:** The right to extend the Closing is expressly reserved by HUD as set forth in the Acknowledgment (Attachment B).

SECTION 5 – CLOSING

1. **EXECUTION OF USE AGREEMENT:** The Purchaser and HUD will execute the Use Agreement at Closing. HUD will have the Deed, Use Agreement and all attachments recorded.
2. **CASH DUE AT CLOSING:** Cash due at Closing is the bid price less the Earnest Money Deposit received, plus any outstanding encumbrance amount that survived foreclosure and/or any pro-rations (see Paragraph 3

below.) All initial deposits to escrows and/or reserve accounts, if applicable, must be made at Closing.

3. **PRORATIONS:**

- a. Purchaser is responsible for paying all taxes, assessments, liens, and utility bills including but not limited to, water, sewer, gas and electric, and any other encumbrances not extinguished by the foreclosure. These amounts will not be prorated.
- b. If Extension Fees were paid, and the Closing occurs prior to the expiration of an Extension Period, the prorated amount of the Extension Fees for the unused portion of the Extension Period will be credited toward the amount due from Purchaser at Closing.

4. **CLOSING EXPENSES:** Irrespective of local custom, the Purchaser shall pay all Closing expenses, including, but not limited to, all documentary stamp taxes, and any costs in connection with a review of title or title insurance. The fees for the recordation of the HUD Deed and Use Agreement will be paid by HUD.

5. **METHOD OF PAYMENT:** Cash Due at Closing shall be paid in the form of a money order, certified funds, or cashier's check made payable to:

Approval to purchase is subject to review and approval of bidder's Post Bid Document Submittals as required in Section 4 (Post Foreclosure Sales Procedures) of the Invitation, and in Acknowledgment, specifically Part II, paragraph 3. The Closing **shall be within thirty (30) calendar days of such notification**, unless extended pursuant to paragraph 9 below.

- a. Two (2) LOCs which totals **\$40,000**, and
- b. Which shall remain in effect and may be drawn on by HUD for at least eighteen (18) months, six (6) months past the deadline for the completion of repairs, **and**
- c. LOCs may be returned or amended as the Grantee completes Repairs and HUD has inspected and accepted the Repairs.

Each LOC must have an expiration date that extends beyond HUD's repair completion date by at least six (6) months. LOCs may be returned as the repairs are completed and HUD has inspected and accepted the repairs, with the exception of the final LOC, which will be held for six (6) months past the deadline for the completion for repairs to ensure the integrity of repairs.

8. LIQUIDATED DAMAGES: Should the High Bidder/Purchaser fail or refuse to perform all obligations hereunder for any reason including, but not limited to, failure to establish the legal entity that is to take title in a timely manner that permits Closing within the deadline set forth in paragraph 4, the Earnest Money Deposit and any Extension Fees, paid under paragraph 9, HUD reserves the right to retain the Earnest Money Deposit.

 - ii. one and one-half percent (1.5%) of the bid price, whichever is greater.
- d. The Extension Fees are not credited against the amount due from Purchaser at Closing. However, if the Closing is held prior to the expiration of an Extension Period, the prorated amount of the Extension Fee, for the unused portion of the Extension Period, shall be credited toward the amount due from the Purchaser at Closing.
- e. The granting of one or more extensions shall not obligate HUD to grant additional extensions.
- f. If any form or instrument required by HUD is not submitted within sufficient and reasonable time for HUD's review or processing and such delay necessitates an extension of the Closing deadline, an Extension Fee must be paid for this period.
- g. Extension fees must be submitted by money order, certified funds or cashier's check made payable to:

THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

10. BIDDER RESTRICTIONS:

- a. No Member of/or Delegate to Congress, resident commissioner, or local elected official, shall be admitted to any share or part of this Foreclosure Sale ("Sale"), or to any benefit arising from it. - c. Pursuant to 24 C.F.R. Part 27.20(f), the defaulting mortgagor, or any principal, successor, affiliate, or assignee thereof, on the multifamily mortgage being foreclosed, shall not be eligible to bid on, or otherwise acquire, the Project being foreclosed by the Department under this subpart or any other provision of law. - a. Purchaser shall accept the Project "as is." HUD makes no representations or warranties concerning the physical condition of the Project. In addition, HUD does not represent or warrant the number and occupancy of revenue producing units, or any factor bearing upon the value of the Project or otherwise.
- b. Highest Bidder acknowledges that the bid price set forth in this Acknowledgment is based on its own evaluation of the Project and not upon any representations by HUD. Highest Bidder's failure to inspect, or to be fully informed as to any factor bearing upon the valuation of the Project, shall not affect the liabilities, obligations or duties of HUD, nor be a basis for termination of this Foreclosure Sale or for the return of any Earnest Money Deposit or Extension Fees paid to HUD.

12. RISK OF LOSS AND RIGHTS OF RESCISSION: In the event of any substantial damage to the Project prior to Closing by any cause including, but not limited to, fire, flood, earthquake, tornado and significant vandalism other than willful acts or neglect, HUD, in its sole discretion, may negotiate with the High Bidder for a reduction in the bid price corresponding to the estimated amount of damages. Such amount shall be added to the Repair requirements, Attachment E, included in the Invitation. If a bid price reduction cannot be negotiated or if the High Bidder and HUD are unable to agree on the amount by which the bid price should be reduced or on the amendment to the Repair requirements, High Bidder may withdraw the bid. In such case, the Earnest Money Deposit and any Extension Fees paid will be returned, *unless* there is cause to retain the Earnest Money Deposit based on breach of the Invitation and/or Acknowledgment.

13. SECURITY DEPOSITS: Notwithstanding state or local law, the High Bidder will receive only those security deposits which are on hand at the Project and made available to HUD on the date of Closing. The High Bidder will assume all liability under state and local law with respect to security deposits.

In which case the Highest Bidder shall forfeit the Earnest Money Deposit and any Extension Fees paid.
HUD reserves the right to review, approve or reject the proposed management. If HUD determines that the High Bidder is not qualified to self-manage the Project, HUD, in its sole discretion, may either reject the bid or require the High Bidder to obtain the services of a property management firm satisfactory to HUD. If HUD chooses the latter, the High Bidder must provide HUD with evidence that a qualified property management firm has been retained prior to Closing. HUD must approve form and type of management prior to Closing and throughout the term of the Use Agreement. If the High Bidder does not meet this obligation, HUD reserves the right to reject the bid and retain the High Bidder's Earnest Money Deposit and any Extension Fees paid.

Any request for HUD's approval of Conveyance must include the entity and all principals obtaining Previous Participation Certification approval (clearance), submission of a signed Certification of Substantial Compliance, and a signed Agreement to Abide by Deed Restrictions. In addition, the Grantee shall comply with HUD's Physical Condition Standards of Multifamily Property of 24 CFR Part 200, Subpart P, including any changes in the regulation and related Directives.

 - b. Maintain full occupancy to the greatest extent possible,
 - c. Be maintained as rental housing for the term of this Agreement,

10. **DESTRUCTION OF PROJECT:** In the event that any, or all, of the Project is destroyed or damaged by fire or other casualty, the money derived from any insurance on the Project shall be applied to rebuild or replace the Project destroyed or damaged, unless the Secretary gives written approval to use insurance proceeds for other purposes.
11. **DEMOLITION OF PROJECT:** The Grantee will not demolish any part of the Project or withdraw any part of the Project from use (except as temporarily necessary for routine repairs), without the prior written approval of HUD.

If such violation is not corrected to the satisfaction of the Secretary within thirty (30) calendar days after the date such notice is mailed or within such further time as HUD reasonably determines is necessary to correct the violation, without further notice, HUD may declare a default under this Agreement and may apply to any court, state or federal, for specific performance of this Agreement, for an injunction against any violation of this Agreement, for the appointment of a receiver to take over and operate the Project

in accordance with the terms of this Agreement, and/or such other relief as may be appropriate, since the injury to the Secretary arising from a default of the terms of the Agreement would be irreparable and the amount of damage would be difficult to ascertain. The availability of any remedy under the Agreement shall not preclude the exercise of any other remedy available under any provision of the law, nor shall any action taken in the exercise of any remedy be considered a waiver of any other rights or remedies. Failure to exercise any right or remedy shall not be construed as a waiver of the right to exercise that or any other right or remedy at any time.

13. **SUCCESSORS AND ASSIGNS:** This Agreement is binding upon the Grantee's heirs, successors and assigns. If HUD approves a Conveyance during the term of this Agreement, it may be conditioned upon, among other things, the grantee assuming in writing Grantee's obligations under this Agreement.
14. **RESTRICTIONS:** No Member of Congress or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of the benefits of the Use Agreement, but this provision shall not be construed to extend to this Agreement if the Agreement is made with a corporation for its general benefit.
15. **CONTRADICTORY AGREEMENTS:** The Grantee certifies that it has not, and agrees that it will not, execute any other Agreement with provisions contradictory of, or in opposition to, the provisions of this agreement, and that, in any event, the requirements of this Agreement are paramount and controlling as to the rights and obligations set forth herein and supersede any other provisions or requirements in conflict with this Agreement.
16. **SEPARABILITY:** The invalidity of any provision of this Agreement shall not affect the validity of the remaining provisions hereof.

1. For current tenants, affordable means the least of:
 - a. for dwelling units occupied by a very low-income family, the unit rent does not exceed thirty percent (30%) of fifty percent (50%) of the area median income, not necessarily the income of the family, as determined by HUD, with adjustments for family size, less a reasonable utility allowance for utilities paid by the tenant; or
 - b. for dwelling units occupied by a low-income family that is not a very low-income family, the unit rent does not exceed thirty percent (30%) of eighty percent (80%) of the area median income, not necessarily the income of the family, as determined by HUD, with adjustments for family size, less a reasonable utility allowance for utilities paid by the tenant; or
 - c. the Section 8 Voucher Payment Standard less the utility allowance established by the voucher provider; or
 - d. Market Rent in the immediate area established by a rent comparability study prepared, at the Grantee's (Owner's) expense, in accordance with HUD requirements.
2. For new, or turnover tenants, affordable means the least of:
 - a. for 60 dwelling units, the unit rent does not exceed thirty percent (30%) of eighty percent (80%) of the area median income, not necessarily the income of the family, as determined by HUD, with adjustments for family size, less a reasonable utility allowance for utilities paid by the tenant; or

The Use Agreement shall contain the following provision:

1. The Grantee agrees that, for any unassisted, very low-income (as defined in 24 CFR 5.603) family which is a pre-existing tenant of a project and who after the acquisition would be required to pay rent in an amount in excess of thirty percent (30%) of the adjusted income (as defined in 24 C.F.R. 5.611) of the family, the rent for the unit occupied by the family may not be increased above the rent charged immediately before the acquisition. The rent protection will be enforceable for a period of two (2) years beginning upon the date of acquisition of the Property by the Grantee.
2. On the date of acquisition, the Grantee must provide notice to all tenants residing in unassisted units that they may qualify for the two-year rent protection.
3. Grantee shall conduct an initial income certification for all tenants within thirty (30) calendar days of the acquisition.
4. For all tenants covered by these provisions, Grantee must include in the lease(s) the terms and conditions of the two (2) year rent protection including a provision for an initial tenant income certification and not more than one (1) tenant income certification a year, except upon reduction of tenant income or upon tenant request.
5. Grantee shall provide to HUD a list of all tenants who are covered by this provision within sixty (60) calendar days of the date of this Use Agreement. The list should include the name of the lease holder, unit type, number of family members residing in the unit, and the amount of rent paid by the tenant. If the income certification is not complete within the sixty (60) calendar days, Grantee must report the progress of the certifications and provide a completion date. Upon completion of the income certifications, Grantee must submit the report in the required format and continue to submit this report quarterly, for a period of two (2) years from the date of Closing, to show protection of the tenants has occurred for two (2) years.

HUD will not provide Grantee with any funds or subsidy with which to make the payments required by this paragraph.

6. Grantee covenants not to increase the rent for any unit, from the rent the tenant pays on the Closing date, until such unit meets all the rehabilitation and/or hazard remediation requirements of this Use Agreement are completed by Grantee, and inspected and accepted by HUD. In addition, rents for units to be covered by a Housing Assistance Payment (HAP) Contract may be increased only pursuant to and following execution of such HAP Contract.

GENERAL PROPERTY DESCRIPTION

This scattered site project is composed of townhomes, duplexes, 3-plexes, 4-plexes, and one (1) 8-plex apartment building.

Foundations are concrete slab-on-grade construction.

Building exteriors are constructed of wood frame with brick veneer. Interior and exterior walls are 2x4 wood framing.

Interior finishes are painted gypsum board walls and ceilings, carpet in the main living areas and bedrooms, and tile in the kitchens and bathrooms.

OBSERVATIONS FOR EXTERIORS

Except for Brookwood, the exteriors of the buildings are in good condition and well cared for. Miscellaneous repairs are identified in the individual property Itemized Repair Matrix,

The windows are original single-glazed and in good condition.

The asphalt roofs are generally in good shape, minor repairs are needed.

The Northgate property has a drainage issue which needs to be repaired.

OBSERVATIONS FOR INTERIORS

Except for some isolated occurrences, the interiors of the buildings are in good condition and well cared for. The items requiring repair/replacement are identified in the individual property Itemized Repair Matrix,

All the common areas are in good condition and well cared for.

CODE ISSUES

Hand railings and guard railings are missing at Park Villa.

HEALTH AND SAFETY

HEALTH: The site has some Health issues which were observed.

Mold growth was observed in two (2) of the units that were inspected. The mold growth and water damage that was observed in Brookwood Apartments Unit 305A (unoccupied) was caused by a water leak in the laundry closet on the second floor. A small amount of mold growth that was observed in the cabinet under the kitchen sink in Northgate Square Apartments Unit 3613A (unoccupied) was most likely caused by a water leak from the pipes under the sink.

SAFETY: The safety issues observed are:

- Trip hazards at the entry sidewalk and landing.
- Security fencing around the propane tanks needs proper signage.

Environmental

Mold growth and water damage (past and present) was observed in seven 50 percent of the units that were inspected. A comprehensive mold assessment must be conducted on the Property to quantify the amount of mold that may be present.

The only location that was positive for LBP was on the exterior block walls of the old office building in the northwest corner of Park Villa Apartments. The LBP appears to be the old tan paint that is under the existing green paint on the concrete block walls. The green paint was negative for LBP on the wood siding so it appears that the tan paint on the concrete blocks is positive. If this building is ever taken down the concrete blocks will need to be disposed of properly. If this building remains in place, the exterior should be painted to further encapsulate the LBP; especially in locations where the tan paint is visible.

Attachment K - 24 CFR Part 5

§ 5.703 Physical condition standards for HUD housing that is decent, safe, sanitary and in good repair (DSS/GR).

These standards address the major areas of the HUD housing: the site; the building exterior; the building systems; the dwelling units; the common areas; and health and safety considerations.

- (a) *Site.* The site components, such as fencing and retaining walls, grounds, lighting, mailboxes/project signs, parking lots/driveways, play areas and equipment, refuse disposal, roads, storm drainage and walkways must be free of health and safety hazards and be in good repair. The site must not be subject to material adverse conditions, such as abandoned vehicles, dangerous walks or steps, poor drainage, septic tank back-ups, sewer hazards, excess accumulations of trash, vermin or rodent infestation or fire hazards.
- (b) *Building exterior.* Each building on the site must be structurally sound, secure, habitable, and in good repair. Each building's doors, fire escapes, foundations, lighting, roofs, walls, and windows, where applicable, must be free of health and safety hazards, operable, and in good repair.
- (c) *Building systems.* Each building's domestic water, electrical system, elevators, emergency power, fire protection, HVAC, and sanitary system must be free of health and safety hazards, functionally adequate, operable, and in good repair.
- (d) *Dwelling units.*
 - (1) Each dwelling unit within a building must be structurally sound, habitable, and in good repair. All areas and aspects of the dwelling unit (for example, the unit's bathroom, call-for-aid (if applicable), ceiling, doors, electrical systems, floors, hot water heater, HVAC (where individual units are provided), kitchen, lighting, outlets/switches, patio/porch/balcony, smoke detectors, stairs, walls, and windows) must be free of health and safety hazards, functionally adequate, operable, and in good repair.
 - (2) Where applicable, the dwelling unit must have hot and cold running water, including an adequate source of potable water (note for example that single room occupancy units need not contain water facilities).
 - (3) If the dwelling unit includes its own sanitary facility, it must be in proper operating condition, usable in privacy, and adequate for personal hygiene and the disposal of human waste.
 - (4) The dwelling unit must include at least one battery-operated or hardwired smoke detector, in proper working condition, on each level of the unit.
- (e) *Common areas.* The common areas must be structurally sound, secure, and functionally adequate for the purposes intended. The basement/garage/carport, restrooms, closets, utility, mechanical, community rooms, day care, halls/corridors, stairs, kitchens, laundry rooms, office, porch, patio, balcony, and trash collection areas, if applicable, must be free of health and safety hazards, operable, and in good repair. All common area ceilings, doors, floors, HVAC, lighting, outlets/switches, smoke detectors, stairs, walls, and windows, to the extent applicable, must be free of health and safety hazards, operable, and in good repair. These standards for common areas apply, to a varying extent, to all HUD housing, but will be particularly relevant to congregate housing, independent group homes/residences, and single room occupancy units, in which the individual dwelling units (sleeping areas) do not contain kitchen and/or bathroom facilities.
- (f) *Health and safety concerns.* All areas and components of the housing must be free of health and safety hazards. These areas include, but are not limited to, air quality, electrical hazards, elevators, emergency/fire exits, flammable materials, garbage and debris, handrail hazards, infestation, and lead-based paint. For example, the buildings must have fire exits that are not blocked and have hand rails that are undamaged and have no other observable deficiencies. The housing must have no evidence of infestation by rats, mice, or other vermin, or garbage and debris. The housing must have no evidence of electrical hazards, natural hazards, or fire hazards. The dwelling units and common areas must have proper ventilation and be free of mold, odor (e.g., propane, natural gas, methane gas), or other observable deficiencies. The housing must comply with all requirements related to the evaluation and reduction of lead-based paint hazards and have available proper certifications of such (see 24 CFR part 35).
- (g) *Compliance with state and local codes.* The physical condition standards in this section do not supersede or preempt state and local codes for building and maintenance with which HUD housing must comply. HUD housing must continue to adhere to these codes.
